

About Us

Bank & Vogue has been working in the used goods market for over fifteen years. We are proud to say we have become one of North America's largest sourcing agents serving clients across the globe.

We work with major charities and recycling companies across North America, continually traveling to find new product, and deliver to markets all over the world. We source from only the best-producing markets across North America. We offer full-service logistics and transport, with clear communication and timely pickup.

We help charities, thrift stores and recycling companies:

- ❖ Sell more goods
- ❖ Maximize profits
- ❖ Identify new markets for their products

We are dedicated to customer satisfaction and strive to deliver excellent customer service, with a focus on being your partner of choice to source, purchase, transport and deliver second-hand products in your marketplace.

Products We Buy & Sell

We buy and sell a variety of products – and organize the pick-up and delivery of your used goods!

Credential Used Clothing

Unsorted, untouched used clothing in original donation bags.

Mixed Rags

Donated used clothing that has already been sorted. Near-new, resalable items have been removed.

Shoes

Used paired shoes that do not have heels more than two inches high and have boots removed. Our graded loads include sneakers, women's flats, men's and kid's shoes.

Books

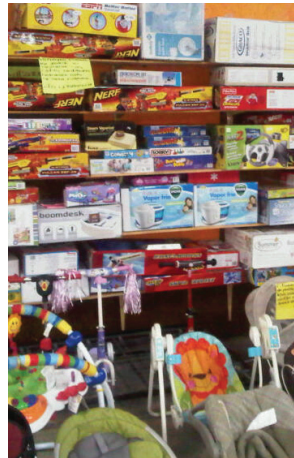

Used books with encyclopedias, magazines and textbooks removed.

Bric-a-Brac/Household Rummage

Household items such as pots and pans, dishes, and more.

Toys - Donations and Store Returns

We buy and sell donated soft and hard toys. Soft toys are clean stuffed animals with the larger ones taken out. Hard toys are games, cars and trucks, puzzles, and more. Toys can be loaded with other product. We also accept full loads of soft toys packed in half-ton (1000 lbs) bales.

We also sell toy store returns for export only. These toy store returns are exceptional items that are untouched customer store returns in their original packaging.

Purses and Belts

Purses and belts are most commonly bought and sold with other product.

We Also Buy:

Vintage Clothing

We buy vintage or "retro" clothing, dresses, shoes, accessories and garments from the 1920s to the 1980s, in bulk, by the bale, gaylord and container.

Logistics Services

The Bank & Vogue Logistics team can help you move your products!

We combine the knowledge gained from our years of experience in the industry and our trusted network of trucking and freight forwarding contacts to meet your needs.

We will manage your shipment's transportation from initial arrangements to the pickup and delivery. Alternatively we can work with your trucking or freight forwarding company to arrange transportation.

Bank & Vogue can prepare:

- ❖ Border crossing paperwork
- ❖ Bills of lading
- ❖ Commercial invoices
- ❖ Export Declarations forms
